**I am most interested in the following areas: (please check all that apply)**

**Serving as a Campaign TEAM member**

*TEAM members work with the Division Chairs, and help reach out to 10 assigned families to educate them about the Campaign effort, and invite them to participate.*

**Hosting a small-group reception in my home (10-20 people)**

*Receptions will be planned from October 2007 through May 2008.*

**Making presentations about the Campaign**

*Presenters share the Campaign message at special events, and in-home receptions. Presenters receive training from the Campaign consultant, and all materials for presentations are provided.*

**Coordinating hospitality and special events**

*There are several key events that will be held throughout the Campaign. Providing hospitality, refreshments, set-up and clean-up are important to making these events successful.*

**Serving as a neighborhood representative**

*Neighborhood representatives work with the Parish Division Chairs in organizing this division, and making contact with 10 assigned families in their neighborhood to educate them about the Campaign effort, and invite them to participate.*

**Coordinating Campaign materials**

*We need help with videography, writing, editing, graphic design and preparing the Campaign materials for printing. These materials will communicate all-important information about the Campaign effort, and invite parishioners and school parents to participate.*

**Assisting with phone-calls**

**Assisting with mailings**

**Wherever I am needed most**

Please return this form to the parish office or drop in the weekly collection at Mass. A member of our Campaign Cabinet will contact you to thank you for your offer of service, and give you further details about how to become involved with the Campaign. Thanks for being a part of St. Ann's future!
