Dear Friend of St. Ann:

St. Ann School will hold its annual Family Fest on September 30th and October 1st this year. Our theme will be “St. Ann Goes to the Movies”. This is our principal fundraiser for the school year.

The generosity and kindness of local individuals and businesses that support our goals are what makes this event a success. We are asking for your assistance. Your efforts will help maintain affordable, quality Catholic education for the elementary school children in our parish.

In exchange for your donation, your name and/or business name will be displayed according to the category of sponsorship that you choose. Categories and their descriptions can be found on the enclosed Sponsorship Categories sheet. Your sponsorship or donation will also be acknowledged in the St. Ann weekly Church Bulletin. Located on the corner of Meadowdale St. and Transcontinental Dr., St. Ann reaches 2,200 families directly and many more through the weekend fair.

The image at the top of this letter will appear on the front of our Family Fest t-shirts. If you choose a Stage or T-shirt sponsorship, your logo will appear on the back of the t-shirts. Our students wear these festive shirts on six different school days, and will also wear them while performing on our outdoor stage during the Family Fest.

Please review the enclosure, which contains more detailed information regarding the sponsorship opportunities that are available this year, including new opportunities such as the Fair Bucks Sponsorship. After selecting your level of sponsorship, complete the sponsorship form and include it with your donation. Your donation can be delivered to St. Ann School or a pickup can be arranged by contacting one of us at the numbers below. We will forward a letter to you for charitable deduction purposes after the Family Fest.

Any cash donation, product or services that you might be able to give this year to support the St. Ann Family Fest is truly appreciated.

See you at the Movies!!
